

Dual Enrollment Cheat Sheet

Note: If you are *currently* taking dual enrollment courses this semester, **skip to step 3**, unless you are changing schools (colleges). Steps 1-3 can be done in any order and/or simultaneously.

***Step 1: College Application** - Apply to the college of your choice. [Here](#) is a list of participating colleges.

- The most common schools are:
 - [Georgia Piedmont Technical College](#)
 - [GSU Perimeter](#): 3.0 & certain SAT, ACT, or PSAT score. 3.4 <, *test score not required*.
 - [GSU Downtown](#): 3.0 & certain SAT, ACT, or PSAT score. 3.4 <, *test score not required*.
- Send your transcript to the college through:
 - [GA Futures](#) (FREE)
 - Create an account.
 - Go to “My High School Transcript”

*** Step 2: Pay For Classes** - Fill out the [Funding Application](#) on [GA Futures](#) for 25-26 school year.

Step 3: Choose Classes - Find the course(s) you would like to take and **fill out the course request form for [SPRING 2026](#)**, so that they can be approved for payment.

- [Approved Course List](#)
 - **Courses without prerequisites that satisfy graduation requirements**
 - **Senior English:** ENGL 1101
 - **Economics:** ECON 1101 ONLY
 - **Fourth Math:** MATH 1401, MATH 1101, MATH 1111, MATH 1112, MATH 1113, MATH 2211, MATH 2420
 - **Fourth Science:** Any Dual Enrollment Science class, ALHS 1011

Step 4: Register for Classes (this step may take place after the deadline) - Once you’ve been admitted into the college, register for the course(s) **with the college**. Instructions for registration will be provided by the college. *Filling out the course request form **does not register you for the classes**, it just approves the classes for payment.* If you make **ANY** changes to your requested course list, **let your counselor know or fill out another form. You will be dropped from the class(es) otherwise.**
