## AP Testing Information from Collegeboard - 4/29/20

[2020 AP Exam Day Checklist](#) (.pdf/526 KB): Teachers should have their students complete this checklist for each exam they take and keep it next to them while testing.

[Explainer Videos](#): New videos are available to give students quick, easily accessible information about their test day experience, what they need to do to prepare, exam security, and more. Explore the [playlist](#).

### Other Reminders

- **AP Exam Demo (available May 4):** AP students should use the clickable exam demo to practice the different ways to submit their exam responses. The demo will help students confirm that their testing device will be able to access and run the online exam. If they can't access the demo, the final slide of the Testing Guide can help them troubleshoot. The sample content in the demo will be the same for all users and isn't a practice exam. We'll send educators and students an email to remind them when the demo is available. **Please encourage your students to take this important preparation step.**
- **Online [AP Classes and Review Sessions](#) prep week:** The week before exams, online AP classes will focus on the exam day experience and sample exam questions.
