- Any AP Class that has a \* next to it on the available courses by grade form must be paired with an additional AP class. These classes will rotate on an A/B schedule (every other day).
  - ie: AP Psych paired with AP Environmental
    - A Day – AP Psych, B Day – AP Environmental
- Some AP & IB courses have summer work. The summer work is required. If you are signed up for an AP or IB class, please check the DHHS Website this summer to check on summer assignments. If the course is on your academic plan, that means you are signed up for the class. If you add the class during the course verification period through the change form, that means you are signed up for the class.
- Dual Enrollment classes will not be listed on the course verification form. Dual Enrollment schedules will be adjusted once the college schedule is received from the student. The dual enrollment deadline for Summer and Fall was April 15<sup>th</sup>. *If you did not complete the requirements by the deadline, do not request to add Dual Enrollment classes.* Please email your counselor if you are taking dual enrollment classes in the summer or fall to discuss course options.
- Work Based Learning classes will not be listed on the course verification form. Work Based Learning is added to the student's schedule once approved by Ms. April Smith, WBL Coordinator. *If you did not complete an application, do not request to add WBL.* Applications are on the counseling website, High School 101 page, Programs and Opportunities. Email completed [applications](#) to [April\\_a\\_smith@dekalbschoolsga.org](mailto:April_a_smith@dekalbschoolsga.org). Ms. Smith will verify the counselor verification on page 3 with your counselor. You can leave this section blank.
- Fernbank Science Courses will not be listed on the course verification form. If you are planning to take a Fernbank Science class, please make sure your application is complete and emailed to your counselor.
- Dekalb High School Technology North (Cross Keys) classes will not be listed on the course verification form. If you are registered for DHST-N, you should only have 4 classes listed on your verification form. To register: [DHST-N Registration Link](#).
